

Small Estate Declaration

This form is to allow the Executor(s)/Next of Kin to legally transfer shares from a person who has passed away into their name(s) and provides information in regards to how the shares can be sold. Please note that completion of this form alone does not automatically sell the shares (see Step 8).

Please complete this form using block capitals and black ink. If you are not completing any of the boxes, please leave them blank. **If you make a mistake cross it through and initial it. Please do not use correction fluid. Please read the Guidance Notes to ensure that the form is completed correctly which will avoid any delay in processing this request.**

Step 2 Please give the details of all additional shareholdings (if applicable)

Please use the enclosed additional holdings form to list all shareholdings administered by Equiniti. This is to ensure that this Small Estate Declaration covers them all.

Step 3 Declaration & Countersignature

To: Equiniti; and the company named above.

I/We do solemnly and sincerely declare the following:

- I am/We are the Executor(s) or Next of Kin of the deceased as shown in the Last Will and Testament or foreign Grant of Representation and are entitled to administer the estate.
- I/We do not intend to apply for a UK Grant of Representation and as far as we are aware, no one else intends to apply for one.
- I/We can confirm that the total value of the estate of the deceased in the United Kingdom does not exceed the Inheritance Tax limit.
- I/We can confirm that the total value of each holding, as of the date of death, does not exceed £20,000 and understand that the total value of each holding is made up of ordinary shares, preference shares, employee schemes, and any payments that are outstanding.

In respect of the above declaration, I/we request that the holding(s) currently in the name of the deceased is registered in my/our names without me/us providing a UK Grant of Representation and on the same basis/conditions as the original shareholding.

I/We (jointly and severally) agree:

- To indemnify you from and against all claims, demands, losses, damages, costs and expenses, which you may suffer, incur or be liable for as a result of acting on my/our instructions. I/We undertake to produce a Grant of Representation if required in the future.
- In the event of a claim against you, I/we, upon request, will provide you with the sufficient funds required to defend such proceedings and agree that if I/we fail to do so you shall be entitled to admit or settle as you consider fit with the legal right to demand compensation or payment from me/us.

Countersignature

The Small Estates Declaration and Indemnity form must be countersigned by a UK bank or an insurance company that is a member of the Association of British Insurers. The countersignature protects the company if you are unable to meet the requirements of the Indemnity. The countersignature takes on a possible liability, and this is why a fee is charged.

You have two options regarding the countersignature.

Please tell us whether you want to obtain your own countersignature or use our Countersignature Waived service.

Option 1 - Obtain your own countersignature
(Please complete below)

Option 2 - Use the Equiniti Countersignature Waived
Fee Service

(Please refer to the covering letter and Guidance
Notes for the fees to be paid)

Our fees are set out in Step 10. If you obtain your own countersignature only the administration fee is payable.

Option 1 - Obtaining your own countersignature

If you would prefer to arrange the countersignature yourself, you will need to ensure that it is countersigned and officially stamped by an authorised UK bank or an insurance company that is a member of the Association of British Insurers. It is likely that they will require a charge for this service. Please note that building societies, e.g. Nationwide, are unable to provide this countersignature.

Unfortunately, there is no definitive list of banks and insurance companies that are authorised to provide this countersignature. Ultimately, it is at the discretion of the individual bank or insurance company, subject to certain regulatory controls, as to whether they are prepared to accept this liability.

Option 2 - Equiniti Countersignature Waived service

Equiniti can arrange for the countersignature to be waived on the Small Estates Declaration & Indemnity form by payment of a Countersignature Waived Fee. The fees for this service are listed in Step 10.

If obtaining your own countersignature, please complete below.

Small Estate Declaration Guidance Notes

To be read in conjunction with the enclosed Small Estate Declaration and Indemnity form

You should complete the form if the conditions set out in Step 3 of the form have been met. The Small Estate Declaration and Indemnity form also acts as a transfer form.

Note 1 In order to accurately identify the stated holding we require the details on the form to match our records. We therefore ask for a history of previous addresses. If the addresses exceed the space provided on the form, we will accept an accompanying letter.

Note 2 As Next of Kin (where there is no Will):

The form must be completed by the Next of Kin and returned with a copy of the shareholder's death certificate and any fee payable. Next of Kin is defined as being married to, or a blood relative of, the deceased.

The recognised order of precedence is:

- Husband, Wife or Civil Partner of the deceased
- Son or daughter of the deceased (including formal adoption)
- Father or Mother of the deceased
- Brother or Sister of the deceased
- Grandparent or Grandchild of the deceased

Not recognised are any further relations by marriage, e.g. son/daughter-in-law, step-son/daughter.

Where the form is completed by more than one Next of Kin, shares will be transferred and future payments made to their joint names. For shares held in joint names the address given for the first named Next of Kin will be recorded as the registered address for all future communications.

As Executor(s) named in a Will:

The form must be completed and returned with a copy of the death certificate, the Will or foreign Grant of Representation and any fee payable.

Where there is only one Executor named in the Will the shares will be transferred and payments made to the sole Executor.

Where there is more than one Executor named in the Will and all persons wish to act, the details and signatures of all named Executors must be entered on the form. The shares will be transferred to and all payments made in their joint names (N.B. a bank account in the joint names will be necessary). For shares held in joint names the address given for the first named Executor will be recorded as the registered address for all future communications.

Where there is more than one executor named in the Will and the shares are to be transferred to only one, we will require Step 6 of the form to be completed.

Note 3 A new EU Directive and Regulation – Markets in Financial Instruments Directive II (MiFID II) – requires us to collect information that we may not currently hold in order to complete certain transactions.

If the shares covered by this Small Estate transfer are held in the abrdn Share Account, and you choose on Step 7 of the Small Estate Declaration and Indemnity form to continue to hold them in the abrdn Share Account, the attached MiFID II form needs to be completed. **We need the details of all Next of Kin/Executors as well as the deceased shareholder.**

The MiFID II form does not need to be completed if you choose to withdraw the shares from the abrdn Share Account.

Turn this page over for more information and some examples to help you complete the form.

Note Below are some examples to help you complete the MiFID II form.

3,
cont. You can also go to our website – www.nationalitycalculator.co.uk – and enter your nationalities there. It will tell you the order in which to list them on the form and which National Client Identifier you need to provide.

If you are signing on behalf of a corporate body, we only need your 20-digit Legal Entity Identifier.

Single nationality

If you have only one nationality, write it in the **Country 1** box and write your Primary or Secondary National Client Identifier in the **National Client Identifier** box. The identifiers we accept for your country are listed on the back of the MiFID II form.

Please then tick to confirm if you have given your **Primary** or **Secondary Identifier**, or if you do not hold either.

Example: United Kingdom nationality

- Put 'United Kingdom' in the **Country 1** box
- If you have your UK National Insurance Number, write it in the **National Client Identifier** box then tick the **Primary Identifier** box
- If you do not have the Primary Identifier, tick the **I do not hold any National Client Identifiers** box

Multiple nationalities

If you have more than one nationality, write them in the **Country 1**, **Country 2** and **Country 3** boxes in the order in which they are listed on the back of the MiFID II form. We then need the Primary or, if allowed for the country, Secondary National Client Identifier for **Country 1**.

If you do not hold either the Primary or Secondary National Client Identifier for Country 1, **please do not provide an Identifier for Country 2 or Country 3**.

Example: United Kingdom and Czech Republic dual nationality

- Put 'Czech Republic' in the **Country 1** box and 'United Kingdom' in the **Country 2** box
- Write your National Identification Number (*Rodné číslo*) in the **National Client Identifier** box then tick the **Primary Identifier** box
- If you do not have the Primary Identifier, write your Czech Republic National Passport Number instead and tick the **Secondary Identifier** box
- If you do not have either of the Identifiers for Czech Republic, tick the **I do not hold any National Client Identifiers** box

Countries not listed on the back of the MiFID II form are in the 'All other countries' category, and should be entered last when you complete the form.

Example: United Kingdom and China dual nationality

- Put 'United Kingdom' in the **Country 1** box and 'China' in the **Country 2** box
- If you have your UK National Insurance Number, write it in the **National Client Identifier** box then tick the **Primary Identifier** box
- If you do not have the Primary Identifier for United Kingdom, tick the **I do not hold any National Client Identifiers** box

If you are a national of two or more countries in the 'All other countries' category, you need to list them on the form in order of their Country Code. If you need help with this, please use our website, www.nationalitycalculator.co.uk, or call our helpline on **+44 (0)371 384 2030** (please use the country code when calling from outside the UK).

Or you can call us on **+44 (0)371 384 2464**, please use the country code when calling from outside the UK. If you call, please quote your 11-digit Shareholder Reference number. Lines are open from 8.30am to 5.30pm (UK time) Monday to Friday, excluding public holidays in England and Wales.

Alternatively you can email us at questions@abrdnshares.com. For deaf and speech impaired customers, we welcome calls via Relay UK. Please see www.relayuk.bt.com for more information.

Note 4 There may be outstanding holding payments to be released. The options provided in Step 9 of the form are the only way in which outstanding payments can be issued.

This only applies to outstanding payments, not future payments, e.g. sale proceeds, dividends.

Important: where there is more than one legal representative and you elect to have payments released in their names (the first option), the cheque(s) will be made payable to them jointly and you will need a corresponding joint bank account in order to cash them.
