# **Transfer of Joint Holding Guidance Notes**

The Transfer of Joint Holding Form only needs to be completed if the shares are held in the abrdn Share Account. If the holding is certificated (i.e. you have paper share certificates) you do not need to complete the form.

Below are some examples to help you complete the form if you are a private individual. You can also go to our website – **www.nationalitycalculator.co.uk** – and enter your nationalities there. It will tell you the order in which to list them on the form and which National Client Identifier you need to provide.

If you are completing the form on behalf of a corporate body, we only need your 20-digit Legal Entity Identifier.

#### Single nationality

If you have only one nationality, write it in the **Country 1** box and write your Primary or Secondary National Client Identifier in the **National Client Identifier** box. The identifiers we accept for your country are listed overleaf.

Please then tick to confirm if you have given your **Primary** or **Secondary Identifier**, or if you do not hold either.

#### **Example: United Kingdom nationality**

- Put 'United Kingdom' in the Country 1 box
- If you have your UK National Insurance Number, write it in the National Client Identifier box then tick the Primary Identifier box
- If you do not have the Primary Identifier, tick the I do not hold any National Client Identifiers box

#### Multiple nationalities

If you have more than one nationality, write them in the **Country 1**, **Country 2** and **Country 3** boxes in the order in which they are listed overleaf. We then need the Primary or, if allowed for the country, Secondary National Client Identifier for **Country 1**.

If you do not hold either the Primary or Secondary National Client Identifier for Country 1, please do not provide an Identifier for Country 2 or Country 3.

### **Example: United Kingdom and Czech Republic dual nationality**

- Put 'Czech Republic' in the Country 1 box and 'United Kingdom' in the Country 2 box
- Write your National Identification Number (Rodné číslo) in the National Client Identifier box then tick the Primary Identifier box
- If you do not have the Primary Identifier, write your Czech Republic National Passport Number instead and tick the Secondary Identifier box
- If you do not have either of the Identifiers for Czech Republic, tick the I do not hold any National Client Identifiers box

Countries not listed overleaf are in the 'All other countries' category, and should be entered last when you complete the form.

### **Example: United Kingdom and China dual nationality**

- Put 'United Kingdom' in the Country 1 box and 'China' in the Country 2 box
- If you have your UK National Insurance Number, write it in the National Client Identifier box then tick the Primary Identifier box
- If you do not have the Primary Identifier for United Kingdom, tick the I do not hold any National Client Identifiers box

If you are a national of two or more countries in the 'All other countries' category, you need to list them on the form in order of their Country Code. If you need help with this, please use our website, **www.nationalitycalculator.co.uk**, or call our helpline on **+44 (0) 371 384 2030**, please use the country code when calling from outside the UK.

Please return the form and any supporting documents to us at Abrdn Shareholder Services, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA UK
