Reference to the Registrar in this form means the registrar or registration agent of the undertaking, NOT the Registrar of Companies at Companies House.

Euroclear UK & Ireland Limited ('EUI') is delivering this transfer at the direction and on behalf of the depositing system-user whose stamp appears herein and does not in any manner or to any extent warrant or represent the validity, genuineness or correctness of the transfer instructions contained herein or the genuineness of the signature(s) of the transferor(s). The depositing system-user by delivering this transfer to EUI authorises EUI to deliver this transfer for registration and agrees to be deemed for all purposes to be the person(s) actually so delivering this transfer for registration.

This form should be used only for a transfer of a certificated unit of a security to a CREST member to be held by a CREST member in uncertificated form. It should not be used for conversion of a unit held by a CREST member into uncertificated form.

The CREST rules require that this form be used for the transfer of a unit of a certificated security to a CREST member to be held by that member in uncertificated form. Any such transfer on this form is exempt from stamp duty.

Help with completing your CREST form

This is a guide to help you complete a CREST transfer form in order to complete the sale of your shares.

Insert the name of the company as it appears on your share certificate

This can usually be found at the top of your share certificate. It normally starts with '10' or '11' and is 11 digits long.

Write in the type of security, for example 10p Ordinary Shares (this should be shown on the certificate).

This is 10 characters long and the first two characters are 'EQ'.

Write the amount of shares you have sold.

Give the name and address of the owner(s) known to the register (this should be shown on the certificate)

All owners need to sign this form
