Transfer of Joint Holding Guidance Notes

Below are some examples to help you complete the form if you are a private individual. You can also go to our website – www.nationalitycalculator.co.uk – and enter your nationalities there. It will tell you the order in which to list them on the form and which National Client Identifier you need to provide.

If you are completing the form on behalf of a corporate body, we only need your 20-digit Legal Entity Identifier.

Single nationality

If you have only one nationality, write it in the **Country 1** box and write your Primary or Secondary National Client Identifier in the **National Client Identifier** box. The identifiers we accept for your country are listed overleaf.

Please then tick to confirm if you have given your **Primary** or **Secondary Identifier**, or if you do not hold either.

Example: United Kingdom nationality

- Put 'United Kingdom' in the **Country 1** box
- If you have your UK National Insurance Number, write it in the **National Client Identifier** box then tick the **Primary Identifier** box
- If you do not have the Primary Identifier, tick the **I do not hold any National Client Identifiers** box

Multiple nationalities

If you have more than one nationality, write them in the **Country 1**, **Country 2** and **Country 3** boxes in the order in which they are listed overleaf. We then need the Primary or, if allowed for the country, Secondary National Client Identifier for **Country 1**.

If you do not hold either the Primary or Secondary National Client Identifier for Country 1, **please do not provide an Identifier for Country 2 or Country 3**.

Example: United Kingdom and Czech Republic dual nationality

- Put 'Czech Republic' in the **Country 1** box and 'United Kingdom' in the **Country 2** box
- Write your National Identification Number (*Rodné číslo*) in the **National Client Identifier** box then tick the **Primary Identifier** box
- If you do not have the Primary Identifier, write your Czech Republic National Passport Number instead and tick the **Secondary Identifier** box
- If you do not have either of the Identifiers for Czech Republic, tick the **I do not hold any National Client Identifiers** box

Countries not listed overleaf are in the 'All other countries' category, and should be entered last when you complete the form.

Example: United Kingdom and China dual nationality

- Put 'United Kingdom' in the **Country 1** box and 'China' in the **Country 2** box
- If you have your UK National Insurance Number, write it in the **National Client Identifier** box then tick the **Primary Identifier** box
