

## **Aberdeen Group plc Payment Reissue Fees**

<b>Value of Replacement Payment Fee (Per Reissued Payment): £ (incl VAT)</b>	<b>Fee</b>
<b>£0.00-£30:</b>	<b>Free</b>
<b>£30.01- £100:</b>	<b>£12</b>
<b>£100.01 and above:</b>	<b>£15</b>

Our standard policy is to deduct a fee for payments that are reissued. The fee levied for the reissue of a payment goes some way towards covering the administration costs involved in this process. In general, the higher the value of the payment, the higher the associated administration costs. This is because of the increased security checks that must be undertaken.

On some occasions, multiple payments may be involved as payments could be issued from different bank accounts. In these circumstances, a fee may be levied for each payment issued.

Fees will normally be deducted before the payment is reissued. You will, therefore, receive the payment minus the applicable fee.
